

Supplement 2

Many thanks for comments. Jerry Haendiges and the listings of the OTRR Group accounted for most of the material. Many thanks for everybody for contributing. Unfortunately we lost one of our most prolific collectors, Dave Siegel. Most of the programs he had are in hands of other collectors especially Jerry Haendiges.

Yours Truly, Johnny Dollar

Starting date appears to be Feb 18th, not Feb 11. Note by Stewart Wright

I really don't have positive proof, but what I think is that the script dated Feb 11 might be an audition or rehearsal.

I think that script dated Feb 18 reflects dialog changes that were incorporated into the broadcast of Feb 18.

There are two MP3 versions of this show in circulation, both are dated Feb 18th. The two shows have significant dialog differences and seem to have cast member differences. The script dated Feb 18 has many dialogs differences from that of the Feb 11; these dialog were generally incorporated into the broadcast version of the show
